In order to be eligible for a rebate, you must sign a lease with a property listed on Tenantsdirect.com. The lease must be for six months or longer, you must specify Tenantsdirect.com on the guest card and on the rental application as your only referral source. Tenantsdirect.com will pay, when allowed by law, one rebate per apartment unit. The property you select must be listed in Tenantsdirect.com database and must be specifically identified as property eligible for a rebate on the date of your move-in. Be advised that not all properties on Tenantsdirect.com are not eligible for a rebate. Please allow 6-10 weeks after your move-in date to receive your rebate check.
